

CREATIVE KIDS CALENDAR ORDER FORM

An art contest was held at RMS in December and students had the opportunity to submit their amazing masterpieces. We are happy to highlight all of them in this Creative Kids calendar.

The Creative Calendars are now available for purchase on the Redlands Middle School Website under the Redlands Booster Club tab for \$7 each.

Calendars will be sent home with your student. Please be sure to note the first and last name and advisory teacher on your order.

Creative Kids is a fundraiser that aims to help all students, especially those in need, have access to art supplies.

We believe that every student is an artist, and it is evident that our Mesa County community has unbelievable talent. It is incredibly important to embrace the arts and the natural wonderments of the mind.

It was such a joy to work on this project and bring happiness to the participants and recipients. Our school has worked hard to persevere through the challenges presented to our community this year, and we look forward to opportunities that await in the future. We truly hope that RMS students had as much fun participating in the contest as we did preparing it.

We hope that you enjoy this year's Creative Kids Calendar.

Ava Pearson, 8th Grade student and Fundraiser Host

Creative Kids Calendar 2021

\$7.00

Order online: www.rmsboosterclub.org with PayPal or Debit/Credit Card

Or, send this form with \$7.00 cash or check (made payable to RMS) with your student:

Student Name: _____
